**ORDER**

One of the participants in this case has a medical emergency. The medical emergency requires **immediate medical attention**. Accordingly, there will be no trial in this case this week—Tuesday through Friday. The court will inform all trial participants when the trial will resume. The court apologizes for the delay; however, it is unavoidable and necessary, as no one could have predicted the medical emergency.

**It is so ordered** this 31st day of October, 2022.
